

Amazon Entry on Amazon Marketplace

Gregory S. Crawford* Matteo Courthoud† Regina Seibel‡ Simon Zuzek§

August 18, 2022

Disclosure Statement

Amazon.com (Amazon) provided the data used in this paper. The authors were compensated by Amazon for their time while conducting the research, but have no current or other prior financial relationship with them. They were provided all the data that they requested to study the effects of Amazon entry on Amazon Marketplace. Amazon had no role in the research design, the analysis and/or interpretation of the data, nor the writing of the paper. Amazon had the right to review this draft to ensure that no confidential business information was presented and to approve its release to the public. The views expressed in the paper are those of the authors alone.
